

# The Greenwood Genetic Center: Division of Education

## OUTREACH EDUCATION PROGRAMS

### Students and Teachers

**Genetics Education Center:** classroom/meeting space, laboratory, modern laboratory equipment and computer area. Teachers select one of 12 laboratory activities for their students to complete on their visit.

**Mobile Genetics Education Laboratory:** a 40' coach, outfitted as a laboratory, designed to visit SC high schools too distant to travel to Greenwood. The Mobile Lab can accommodate a class of 24 students.

**Tour** the GGC diagnostic laboratories

**Schedule** a speaker for your classroom

### Teachers

#### Summer Graduate Courses in Human Genetics

- *Survey Course in Human Genetics*
- *Developmental Genetics*
- *Contemporary Topics in Genetics*
- ***NEW ! Biotechnology, Bioinformatics, and Bioethics***
