

### **From 1-95 south of Florence:**

Take 1-95 north until Exit 164. Take a left at the light at the bottom of the exit ramp onto W. David H. McLeod Blvd. and travel 2.8 miles. Take a left onto Cheves Street and take the first left onto South Ravenel Street where the emergency room sign is. 101 South Ravenel Street is the building just past the parking garage on the left.

### **From 1-20 east to Florence:**

Take 1-20 east and continue onto the 1-20 business spur. This becomes Palmetto Street. Continue on Palmetto, cross the railroad tracks and take a left onto Hwy 52 (Church Street). Get in the right lane and, at the next light, at Cheves Street, take a right. Take the first left onto South Ravenel Street where the emergency room sign is. 101 S. Ravenel Street is the building just past the parking garage on the left.

### **From Myrtle Beach:**

Take US 501 through Conway towards Florence; go 32.7 miles. In Florence, US 501 becomes Hwy 301. Pass the Florence airport on the left and continue until the road forks-take the right fork. This will be Cheves Street. Pass McLeod Hospital on the right and turn right onto South Ravenel Street where the emergency room sign is. 101 South Ravenel Street is the building just past the parking garage on the left.
